(1. The Hult Prize is the world’s biggest engine for the launch of for-good, for-profit startups emerging from university with over 2500 staff and volunteers around the world. The movement has deployed more than **\$50M** of capital into the sector and mobilized more than One Million young people to re-think the future of business as it continues to breed innovation on college and university campuses across **100 countries**. It is offered in partnership with the United Nations. It is hosted and supported by Hult International Business School and funded by Swedish entrepreneur **Bertil Hult** and his family.)
