Notice for MBA/EMBA Students of BUBT

You will be pleased to learn that the long standing collaboration between Central Queensland University (CQU) of Australia and Bangladesh University of Business and Technology (BUBT) is now considering our MBA/EMBA Students for a transfer of credits to undertake "MBA with Specialization" or "MBA-GLOBAL" program to start from 2021.

A. MBA - GLOBAL

- It is a 16 units MBA program. This program is for candidates with no work experience. Fresh graduates from any discipline can enroll in this program. Candidates can complete 8 units at BUBT and come to Australia to do 8 units to get an MBA (Global) degree. This means the students can stay in Australia for a year to complete these units. They get a CQUniversity MBA degree.
- All prospective MBA/EMBA students from BUBT in this category need to have a minimum of IELTS score of 6.5 with no band lower than 6, or equivalent.

B. MBA with specialisation

- This is a 8 + 4 = 12 MBA program for candidates who have three-year work experience. Eight core units and four specialization units need to be completed. **CQU has reduced the compulsory units from 10 to 8.** The two options are: MBA (Project Management) and MBA (General).
- Candidates enrolled in this program can complete 6 units at BUBT. This will require them to stay in Australia for six months to complete 6 units. They get a CQUniversity MBA degree.
- All prospective MBA/EMBA students from BUBT in this category need to have a minimum of IELTS score of 6.5 with no band lower than 6, or equivalent.

Detailed articulation for operationalising this program will be available soon and given to interested students only. Any conditions set above for any program are subject to change at the discretion/convenience of CQU and/or BUBT. Interested and eligible students in any category are requested to contact immediately with the Dean of the Faculty of Business and Social Sciences, Professor Dr. Syed Masud Husain (email: masud.husain@bubt.edu.bd) latest by 18 September, 2020.

(Professor Dr. Ali Noor)
