Notice Regarding Postponement of Registration Date for Spring Semester 2026

This is for the information of all students, faculty members, officers and staff of BUBT that the registration for the Spring Semester 2026, which was earlier scheduled to begin on October 29, 2025, will start very soon (tentatively in the middle of November 2025).

The delay is due to the ongoing conversion of the University's academic system from the Bi-Semester System to the Three-Semester System, effective from January 2026.

In this regard, the new date of registration will be announced shortly through official channels. Students are advised to stay updated by checking university notices and announcements.
