## Notice about Cervical Cancer Vaccination Program

(For all the female teachers, officers, staff, students and their family members)

BUBT is arranging a vaccination program to prevent cervical cancer on **Wednesday, May 10, and Thursday, May 11, 2023, at the Medical Center, BUBT, from 10.00 a.m. to 6.00 p.m.** The program is organized jointly by BUBT and Incepta Vaccine Limited. Incepta Vaccine Limited offers this vaccine at a discounted price of **Tk. 2,000 per dose** (the current market price is Tk. 2,500) for BUBT employees. It is to be mentioned that **cervical cancer is the fourth-most common cancer among women globally.**

Incepta Vaccine Limited has sent a medical team to BUBT to conduct the vaccination program. With the use of this vaccine for all healthy women from 9 to 45 years, cervical cancer can be prevented.

All interested female teachers, officers, staff, students, and their family members can take the vaccine in this program. The subsequent doses of the vaccine will be provided by BUBT Medical Center through similar vaccination camps at appropriate times.
