## Notice for the Students Join the Rotaract Club of BUBT

The undergraduate students of all Programs are hereby informed that in accordance with the decision of BUBT administration, a **Rotaract Club of BUBT** is going to be opened by BUBT under the supervision of **Rotary Club of Ramna**. The Rotaract Club of BUBT is inviting you to join us for being active members. Interested students are requested to contact the following signatories.

The purpose of Rotaract is to provide an opportunity for young men and women to enhance the knowledge and skills that will assist them in personal development, to address the physical and social needs of their communities, and to promote better relations between all people worldwide through a framework of friendship and service. Rotaractors provide community service to both local and international communities. This is perhaps the best reason for becoming a Rotaractor, the chance to do something for somebody else; to sense the self-fulfillment that comes in the process, and return of that satisfaction to one's own life.

**N.B. Concerned students are advised to come with a copy of their CV, and for other details information or any queries in this regard, please feel free to contact me.**
