Notice about Cervical Cancer Vaccination Program

(For all the female teachers, officers, staff, students and their family members)

BUBT is going to arrange a day-long vaccination program to prevent cervical cancer on Wednesday, May 10, 2023, at the Medical Center, BUBT, from 10.00 a.m. to 6.00 p.m. The program is organized jointly by BUBT and Incepta Vaccine Limited. Incepta Vaccine Limited offers this vaccine at a discounted price of Tk. 2,000 per doze (the current market price is Tk. 2,500) for BUBT employees. It is to be mentioned that **cervical cancer is the fourth-most common cancer among women globally.**

Incepta Vaccine Limited will send a medical team to BUBT to conduct the vaccination program. With the use of this vaccine for all healthy women from 9 to 45 years, cervical cancer can be prevented.

All interested female teachers, officers, staff, students, and their family members can take the vaccine in this program. The subsequent doses of the vaccine will be provided by BUBT Medical Center through similar vaccination camps at appropriate times.
